

LUNCHEON SEMINAR

ELECTRIC VEHICLES PART 2

The panel will consist of Jennifer Neville of Hamilton and Company, and Steve Abercromby of Power Pros Electrical. The presentation will provide a more in-depth analysis, following the electric vehicle seminar in 2018. Participants do not need to have attended the 2018 seminar in order to get something out of this seminar. Jennifer Neville will discuss the process for strata corporations, including bylaws and user fees, and will also discuss solutions in different strata corporation scenarios. Steve Abercromby will discuss the recommended process for a strata/manager to implement charging equipment and metering/monitoring networks into different types of buildings as well as the recommended designs from small to large EV charging infrastructure systems.
